

Heating & Air Conditioning

Extended Warranties

All Heating and Cooling Systems installed by Bob's Heating & Air Conditioning come with a ***One-Year Full Coverage Manufacturer's Warranty***.

If you would like to extend this ***100% Parts and Labor Coverage*** on your equipment, Bob's Heating & Air Conditioning offers ***Extended 5-Year*** and ***Extended 10-Year*** plans available for your added peace of mind.

Bob's Heating & Air Conditioning ***Extended Warranty Plans*** not only offer you 100% coverage on your heating and cooling equipment, but you become a priority customer with emergency services available to you day and night. Both the 10-year program and the 5-year program include an annual ***21-Point Inspection*** to your heating and/or cooling equipment for the life of the policy.

We will be happy to provide you with more details on our Extended Warranty Programs. Just call (800) 840-3346.
